**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I buy service from big national carriers (AT&T, Comcast, Verizon) and small local carriers the only ones who really seem to care about they quality of my service are carriers like Sonic. Sonic never gives me evasive BS answers when I contact them and wherease the big carriers prevent me from contacting tech support Sonic innovates on provide more responsive tech support.

Say NO to price hikes that will increase the cost of internet and telephone services.
